Project description

## hybrid

SimulTrain

Project description

Project name	**Online Service Deployment**
Estimated duration	11 weeks
Milestone	1. Data Base & Marketing Sprint
	2. eShop Design & Development Sprint
	3. Release Sprint (end of project)
Team	– Sue, Fred and Tim
	– Other people as necessary
Description	In accordance with the new marketing strategy, management wishes to provide our customers with an online interactive service. This will allow customers to follow-up and control orders without the intervention of either the customer service or the accounting departments. The customer representative is the Product owner. The list of product backlog items and a budget for the first stage have been defined. The core team has been established.

Organization Chart
